MINUTES OF THE MEETING OF THE PROTESTS AND DISPUTES BOARD HELD ON WEDNESDAY APRIL 21st. 1926, Mr H.J. Rex, in the chair, also Messrs Walker and Davy. There were also present Messrs Webb, Stooke and Ranford.

The business of the meeting was to consider a request from the League for an interpretation of Rule 93, particularly as it applies to residential qualification. The members of the League were present for the purpose of submitting specific cases which would assist in the giving of an interpretation.

It was recognised that in the granting or refusing of a permit under this Rule, the player had the right of appeal to the Protests and Disputes Board. It was considered as a suggestion, that all applications under this Rule could be submitted to the Board for granting or otherwise.

The Board was of the opinion that where it is shown that a person had actually resided in a district in pursuance of an invitation from a Club, in that district, it should be taken as conclusive that he had come to reside in such district in accordance with Rule 93. An invitation to play with a Club and to reside in that Club's district, and the acceptance of such invitation, would be held to be evidence of such persons intention so to reside in such district, provided that such person actually went and resided in such district.

MINUTES OF THE MEETING OF THE PROTESTS AND DISPUTES BOARD HELD ON FRIDAY  
JUNE 4th. 1926.

Mr H.J. Rex, in the chair, also Messrs Walker and Davy.

W. CLOWES and M. SHEEDY. Reported by Umpire O'Connor for fighting on May 22nd.

Evidence was given by Umpire O'Connor and Boundary Umpire Eddy.

DECISION. That Clowes be suspended for three playing dates, and that Sheedy be suspended for five playing dates.

G. OWENS. Reported by Umpire Cassey for striking J. Baird of East Fremantle.

Before the hearing commenced, Mr Norton appeared before the Board on behalf of Mr Owens, and questioned the legality of the Board hearing the case. He contended that the rules had not been complied with, and that the case should not have been sent on to the Board. The Board ruled against Mr Norton.

Evidence was given by Umpire Cassey, J. Baird, Boundary Umpires Brandy, J. Dobson and H. Campbell.

DECISION. That Owens was guilty of misconduct by acting in a manner which was unduly rough, and that he be suspended for three playing dates.

P. MATSON. Reported by Umpire Cassey for abusive language. This case having been referred to the Board by the League.

Mr Norton appeared with Mr Matson and were advised that the case to be heard was in the nature of an enquiry based on the report of an umpire which had been referred by the League to the Board. Under the rules the Board has power to inflict penalties on players and on Clubs, but has no power to deal with any other person. The Board can only hear and determine a case which has been referred to them by the League and any findings must be referred back to the League in the nature of a recommendation, which shall be either adopted or rejected by that body.

Umpire Cassey related that language that was used, and evidence was also given by Boundary Umpires Walkemeyer and Brandy.

Matson denied using any language to Cassey but admitted having used language to Walkemeyer.

DECISION. The Board found that P. Matson used abusive and insulting language to Umpire Cassey and Boundary Umpire Walkemeyer. The Board are of the opinion that the League should for a period of six playing dates, cancel the League pass if any issued to the said P. Matson, and also should refuse him admission to any ground upon which the East Perth Club may be playing during that period.

CONFIRMED.

CHAIRMAN.

MINUTES OF THE MEETING OF THE UMPIRES' BOARD HELD ON JULY 9th. 1926.  
Mr T.F.Davies, in the chair, also Mr Rex. Mr Curtin was absent owing to illness.

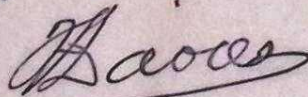

The business of the meeting was to investigate cases of undue rough play which had not been reported by the umpire in the East Perth-West Perth match played on June 26th. The matter had been referred to the Board by the League at the instigation of Mr Jeffery. The first case was where Eustace, West Perth, was kicked by Western, East Perth. The name of Eustace was ~~submitted~~ substituted for Gosnell on the application of Mr Jeffery and agreed to by all parties. Evidence was given by Eustace and B. Umpire Bright.

DECISION. The evidence shows that Eustace was kicked by Western, but the Board is not satisfied that the act was wilful. O'Connor the field umpire saw the incident and was satisfied it was accidental. The charging of Parkes, West Perth, by Brentnall, East Perth. Evidence was given by Parkes. Umpire O'Connor saw nothing that was against the rules, and gave no free kick.

DECISION. The evidence shows that Brentnall did charge or bump Parkes but this occurred whilst the latter was running. Parkes admits he attempted to meet Brentnall's charge. Whilst the Board regrets that some limit of moderation is not imposed in such circumstances, the rules according to the evidence of all before us, permits what may be termed charging under such circumstances.

We find therefore that neither incident was of such a character as made it incumbent upon the umpire to report.

CONFIRMED.

INWARDS CORRESPONDENCE.

From the League drawing the attention of the Board to the fact that Umpire Collins had not carried out the Board's instructions in not producing supporting evidence in connection with the Weiland-Flemming report.

On the motion of Messrs Rex and Curtin it was decided THAT the League be informed that in not adducing supporting evidence in his charge against players Weiland and Flemming, Umpire Collins did not carry out the Board's instructions. The circumstances have been noted by the Board. It is however fair to Mr Collins to intimate that he was of the opinion the facts were so obvious as not to call for additional evidence beyond his own testimony, and that he was unprepared for the assertions by both players that no blows had been struck. At this stage of the season, no good purpose would be served by further proceedings, and when appointments are being made next season the matter can be considered in its due significance.

L. HOLMES. Reported by Umpire Trotter for using threatening language  
towards the umpire. Evidence was given by the Umpire and by Mr Young,  
the secretary of the Subiaco "B" Club.

DECISION. That Holmes be disqualified for three playing dates.

INTERPRETATION.

The League sought an interpretation in the case of Exley, who had  
obtained a clearance to South Australia from Perth and who had now  
returned and desired to play with Claremont-Cottesloe. Mr Stooke  
of Perth and Mr Hamley of Claremont Cott., were in attendance. The  
case was adjourned to a full meeting of the Board.

G.SMITH. Reported by Umpire Sanders for striking B.Bryant, of the Perth Club on June 23rd.

Mr McKay appeared on behalf of Smith.

Evidence was given by Umpire Sanders and B.Bryant.

DECISION THAT Smith be disqualified for three playing dates.

A.I.EXLEY. The Board gave further consideration to the interpretation desired by the League in the case of Exley. The facts disclosed that in 1922 and 1923, but not in 1924, Exley played with Perth. Early in 1925 he secured a clearance from that Club to South Australia. He resided there for three years and then returned to Western Australia. Having lived for twelve consecutive weeks in the Claremont-Cottesloe district, he made application for permission to play with that Club. The League desired a ruling from the Board as to whether Exley required a clearance from the Perth Club before he was eligible to play with Claremont-Cottesloe.

DECISION. In the opinion of the Board, Exley is an interstate player within the meaning of Rule 89, and may obtain a permit to play with Claremont-Cottesloe without being given a clearance by the Perth Club. Further the Board is of the opinion that an un-allotted district does not mean any place outside Western Australia.

MINUTES OF THE MEETING OF THE UMPIRES' BOARD HELD ON FRIDAY AUGUST 17th. 1928.

The business before the meeting was to consider the following matter which had been referred to the Board by the League:-

"That as the two goal umpires in the Perth-Subiaco match were standing back from the goal line at least 15 or 20 yards thus being in a position where it was impossible to determine whether a goal or behind had been kicked the matter be referred to the Umpires' Board with a view to action being taken".

Owing to the inability of Messrs Rex and Gibson to attend, it had been previously agreed that the Chairman, Mr Davies, should take the evidence and submit it to the next meeting of the Board, Mr Stooke agreeing to this procedure.

Goal Umpire Rowlands stated that he was at the East end during the second half. There was at least 6 to 8 inches of water around the goal posts and for an area of about 45 yards in front of the goals. It was impossible to stand the flags up against the posts. He went back to avoid standing in the water. Every time the ball came over the center line towards his goals he came into position. On one occasion the full back for Perth said "Why don't you get back out of the water".

Goal Umpire Kingdon stated that there was only three scoring shots during his half at the east end. The ground was under water about 9 inches around the posts. He admitted that he went out of the water when the ball was away from the goals but considered he was always in position when necessary. He was 10 yards back when the Subiaco goal was kicked which hit the water and went through. Corney kicked the Perth goal from the wing on an angle and had he not been in position then he could not have given a correct decision. The ball came through on the full.

Field Umpire O'Connor stated that the water was inches deep at the eastern end all around the goals. When the ball was in the vicinity of the goals at that end, he did not notice the goal umpires out of position to judge a goal or behind. Where they were when the ball was away he did not notice.

DECISION. The Board considers that under the circumstances, and in the light of the evidence placed before it, it would be difficult to hold that there had been anything more than a technical non compliance with normal duty and as the investigation will have impressed the goal umpires with the necessity for a more strict compliance in future, no further action is necessary.

Discussion arose over the failure of Field Umpire Collins to report players for misdemeanours during the match on Sept. 15th. CHAIRMAN.

MINUTES OF THE MEETING OF THE UMPIRES' BOARD HELD ON THURSDAY  
SEPTEMBER 27th.1928.

Messrs T.F.Davies, in the chair, also Messrs Rex and Gibson.

The object of the meeting was to inquire into the conduct of the match between East Perth and South Fremantle played on September 15th. and to call on the several umpires for their reasons why no players were reported.

Field Umpire Collins objected to the inquiry because there was a motion before the League which if carried would abolish the Board, and he considered that it was an intimidation motion.

The Chairman assured him that the motion before the League would not affect the investigation as the Board itself had already asked him for a report on the same matter.

Umpire Collins stated that the match was no rougher than several others he had seen during the season. He did not actually see one blow struck therefore he could report no one. He did not stop a fight. On one occasion he pushed Retell, S.F. away to avoid trouble. If he had got the man he was after, Retell might have had a fight. Thought that was in the last quarter. The man he was after was Armstrong, E.P. Another incident occurred when Edgar, S.F. ran after Sparrow, E.P. caught him around the neck and swung him to the ground. The play had been stopped at the time. Edgar had been bumped by Sparrow and the bump was perfectly fair. Sparrow's shoulder got Edgar under the chin and Edgar was badly bumped. The free was given to Edgar as he considered it unduly rough and thought it wise to give the free owing to the nature of the game. He saw no East Perth player knocked down by a blow. He saw no incident in the game which merited reporting. He saw Sparrow and Fuhrman arguing once and stopped them but no blows were struck. Both those incidents were near the score board side. South Fremantle players were holding back Edgar but he got away. He did not separate any players during the match. It was a match where both eighteens went out to win by fair or foul means. 54 frees were given to South Fremantle and 48 to East Perth. Apart from the two incidents referred to, Sparrow never came under his notice for suspicious practises. Sparrow is a clever player. He reported no player because he could not substantiate a case before the Board. It is no good bringing up a case before the Board unless the umpire can prove it.

Boundary Umpire Bourn saw no incident which warranted a report. He had seen matches during the season which were equally as willing. The first match between Perth and Subiaco on the Subiaco Oval was equally as willing. He saw Retell throwing his arms about as if he was going to strike Armstrong but he did not hit him. That was near the scoring board but he did not see what happened to make Retell go as he did. Armstrong was on his feet at the time and South Fremantle players were holding Retell off. He saw them and ran in. Umpire Collins was close handy and blew off time, and then went in amongst them. He saw Edgar getting up with the ball and ran into Sparrow's shoulder. Edgar wanted to get at everybody but they held him off. He afterwards threw Sparrow. There was a lot of kicking off the ground as the ball was greasy.

Boundary Umpire Walkemeyer saw nothing unfair, but the game was rough and rugged with solid bumping. He saw no kicking or anything that savored of unsportsmanlike play. It was the most rugged match he had seen this year. Nothing unfair that warranted reporting. He saw Umpire Collins separate players in the last quarter. Retell was one. He saw the players pushed back and ran over. He was on the opposite side. He saw Edgar grab Sparrow but no blows were struck. Edgar's eyes were back in his head and he was semi-conscious.

Goal Umpire Everett was surprised at the press reports and did not think it was more rugged than other games seen this season. He saw nothing that he considered unfair. He was at the West end during the last quarter. He saw Sparrow mixed up in an incident during the second quarter. He was about 60 yards away. It was near the scoring board. He saw a man go down but couldn't say what caused it as there were 10 or 12 players running to and fro between him and the incident. It was a South Fremantle player. He saw him get up and at least three of his team mates were holding him back. He was apparently making an endeavour to get across at Sparrow. It was No 14 of South Fremantle. He saw Jennings run out and twist H. Campbell by the jersey but no blows were struck. He saw no boots flying which appeared to be deliberate. It was a wet day with plenty of kicking off the ground. He saw nothing to report.

Goal Umpire Davies saw no actual fighting. His attention was drawn more to the ball than to any fighting. The first incident he saw was Sparrow and Edgar near the scoring board. He was three quarters of the field away at the time. He saw Retell make a swipe at Armstrong but he missed easily. He noticed H. Campbell go to pick up the ball. Jennings was too late and attempted to make a kick as Campbell was picking it up. Would not swear that Jennings made an attempt to kick Campbell. He thought that Jennings made a kick at the ball but he missed the ball and Campbell. Would not say that it warranted reporting. He saw no other incident between Campbell and Jennings. Field Umpire Collins did not see any unnecessarily rough play. He did not hear any bad language. He had not mentioned to anyone that if he reported one he would have reported about sixteen.

CHAIRMAN.

23. 8. 29

Minutes of the Adjourned Meeting of the Protests and Disputes Board  
Held on Friday July 26th.

Mr. J. L. Walker in the chair, also Mr. Davy.

J. O'Callaghan of Perth was reported by Field Umpire Trotter for striking Whinnen of East Perth.

Mr. Ryan appeared for O'Callaghan and Mr. Telford for Whinnen.

DECISION: That O'Callaghan be severely reprimanded.

The Board gave consideration to three rules upon which the League had requested interpretations.

The West Perth Club being an interested party, wrote asking that Mr. Jeffery be permitted to attend the meeting to represent their club when the matters were being discussed. Mr. Jeffery was granted such permission.

The Chairman pointed out that only the bald resolutions of the League had been submitted and only one interested party was in attendance. It was eventually decided, with the approval of Mr. Jeffery, that the League Secretary should debate the question for the League.

- (1) That Rule 12 Sub-clause 1, page 12, under Permit Committee Rules, be forwarded to the Protests and Disputes Board for interpretation.

Discussion of this rule narrowed itself down to (a) Has the Permit Committee power to grant or refuse clearances? (b) Is it necessary to place all applications for clearances before the Permit Committee for grant or refuse?

Decision of the Board as to Resolution 1 :-

The answer to both questions is in the affirmative. The meaning and intention of subparagraph 1. or paragraph (b) of Rule 12 is to be ascertained by reading with it Rules 95 and 96. Under the Rules 95 and 96, obviously every application by a player for a clearance from his club must be made in a prescribed form and lodged with the Secretary of this League who in turn forwards this application to the Secretary of the club. If this club refuses the clearance, the matter is ended except the recording of such refusal. If the club grants the clearance, then under Rule 12 (b) 1. the Permit Committee shall decide whether this League shall ~~allow~~ the clearance which has been granted by his club.

ALLOW

(2) That the interpretation of Rule 92 be sought from The Protests and Disputes Board.

DECISION OF THE BOARD.

The player will be eligible to play with any district club provided he obtains a clearance from his former club and a permit from the Permit Committee. In any case in which the player is seeking to transfer from one club to another, the fact of the removal to the unallotted district is material, it is a question of fact to be decided by the Permit Committee whether or not such removal is in fact a change of residence and whether or not such removal is genuine and not merely a means to end in an act of trafficking.

(3) That Rule 61 J. be forwarded to the Protests and Disputes Board for interpretation.

DECISION OF THE BOARD.

Rule 61 J. must be taken to refer only to matters dealt with under subparagraphs 1, 2 and 3 of Paragraph (b) of Rule 12.

As regards matters under subparagraph (1) the delegates of clubs from and to which a player seeks a clearance cannot vote.

As regards matters under subparagraph (2) the delegates of the club to which the player seeks the permit cannot vote.

As regards matters under subparagraph (3) the delegates of the particular club in respect of which the qualification is in question cannot vote.

Re W. GRUNDY.

This matter was submitted by the League for the Board to determine the residential qualifications of W. Grundy who is at present residing in the East Perth district.

13/5/30

MINUTES OF THE MEETING OF THE PROTESTS AND DISPUTES BOARD,  
HELD ON FRIDAY, MAY 9TH, 1930.

The following members were present:

Messrs. J. L. Walker, T.A.L. Davy, and W. L. Brine.

Mr. Davy moved, Mr. Brine seconded, "That Mr. J. L. Walker be appointed Chairman for the ensuing season." -- Carried.

The Minutes of the previous meeting were read and confirmed.

L. LEAN, and D. TOMB. Reported by Field Umpire Sanders for fighting during the match Perth-Victoria Park V. Midland, played on April 26th.

Mr. Rule appeared on behalf of Tomb, and Mr. Elliot represented Lean.

Evidence was given by Field Umpire Sanders, who related the incidents which led up to the report.

DECISION. That Lean be disqualified for one playing date, and that Tomb be cautioned.

G. ARDAGH. Reported by Field Umpire Gore for deliberately wasting time in the match played on May 5th.

Mr. Jeffery appeared for Ardagh. Evidence was given by Field Umpire Gore, who was supported by boundary Umpire Buckenara.

DECISION. That Ardagh be disqualified for Three playing dates.

FROM the Secretary of the Subiaco Football Club, requesting permission for player R. Wieland, who was disqualified for Twelve playing dates in 1929, to appeal against that decision, as the Committee was of the opinion that the penalty was excessive.

DECISION. That the request be refused.

FROM the League, asking the Board if it would care to suggest any alteration in the procedure of dealing with charges against players.

The Board decided that they were disinclined to make any suggestion at the moment, and they were of the opinion that players should not be deprived of representation.

THE West Perth Football Club presented the following notice in writing to the Board:

"Take notice that the Protests and Disputes Board will be moved by the West Perth Football Club on the 9th day of May, 1930, for a hearing and determination of the dispute which has arisen between the Club and the West Australian National Football League, as to whether or not the clearances of Joseph O'Meara and James Morgan were refused <sup>under</sup> ~~in~~ sub-paragraph 1 or 3 of Rule 12, Sub-clause (B).

DATED the Nineth day of May, 1930, and

SIGNED by A. Breckler, President, and S. F. Jeffery,  
Delegate."

Mr. Jeffery, who was in attendance, was invited in to set out the case in accordance with the notice.

The League Secretary intimated that the communication had not been before the League.

Mr. Jeffery mentioned that a previous notice had been served on the League, but had not been placed before the Board. The Board inquired of the nature of that correspondence, and upon having it read, were of the opinion that they considered that anything

that purports to be an appeal to the Board should be forwarded to the Board. In the case of the communication of the 7th inst., from O'Meara and Morgan, the Board considered that these appeals should be submitted to them, and they requested that a date be fixed for the hearing of these appeals.

In the matter of the notice which had been presented to the Board that night, the Board decided that they had no jurisdiction to deal with it.

The Minutes of the previous meeting were read and confirmed  
on the motion of Messrs. Brine and Davy.

INWARD CORRESPONDENCE.

J. E. Crabbe.

Secretary, Geraldton Football Association, forwarding a request  
for the removal of the disqualification imposed upon J.E.Crabbe  
on September 5th, 1928.

This player was disqualified indefinitely, with liberty after  
12 months to apply for the removal of the disqualification. He  
was disqualified for representing to the Geraldton Association  
that he did not require a clearance, whereas he was a player of  
the Perth Club.

DECISION.

That the application be approved, and the disqualification re-  
moved as from July 4th, 1930.

J. LAURIE, reported by Field Umpire Trotter for using abusive  
language towards him during the progress of the  
match between East Fremantle and Perth on June 28th.

Mr. McCabe appeared for Laurie, and Umpire Trotter detailed the  
incidents that led up to the charge.

DECISION.

That Laurie be disqualified for 2 playing Saturdays of his Club.

O'MEARA and MORGAN.

Appeals were read from these two players against the decision of  
the Permit Committee delivered on the 16th day of April, 1930,  
relating to their right and/or qualification to play with West  
Perth.

Mr. Jeffery appeared on behalf of West Perth, and the League  
Secretary, Mr. W. R. Orr, was directed by the League to represent  
them.

After hearing argument, the Board arrived at the following decision:  
That the appeals be dismissed on the ground that there is no  
decision of the Permit Committee relating to the right or qualif-  
ication of the appellants to play with West Perth, the only recor-  
ded decisions of the said committee being "Clearance refused."

MINUTES OF THE MEETING OF THE PROTESTS & DISPUTES BOARD,  
HELD ON FRIDAY, JULY 25TH, 1930.

---

Mr. J. L. Walker in the Chair. Also Mr. W. L. Brine.

The Minutes of the previous meeting were read and confirmed.

GREGG, of Midland-Guildford (Association) reported by Field Umpire Campbell for deliberately charging McLeod, of East Perth (Association).

McLeod forwarded an apology for his non-attendance, at the same time handing in a written statement relative to the incident.

Field Umpire Campbell was in attendance and related the details of the incident which led up to the charge.

DECISION: That Gregg be disqualified for 2 playing dates of his Club.

RULING RE SELECTED CARNIVAL PLAYERS. The League sought a ruling as to the validity of the following resolution which had been carried on July 2nd:

"That selected players who are unable to accompany the Carnival Team be debarred from playing with their Clubs during the Carnival Team's absence."

Mr. Stooke represented the League, and Mr. McCabe represented East Fremantle.

DECISION: The resolution is within the terms of Rule 3 K, and Rule 117, and as such is valid, but notice thereof must be sent to every District Club by Circular, which must be served in accordance with the provisions of Rule 58, before this penalty prescribed by the resolution can be imposed on any player.

The Board did not consider that Minutes sent to a Delegate of the League who happened to be a Club Secretary would be deemed to be a notice in accordance with Rule 58.

PROTEST BY PERTH-VICTORIA PARK (ASSOCIATION) AGAINST EAST PERTH (ASSOCIATION). Perth-Victoria Park protested against the East Perth Club for playing one J. O'Meara in the match between these two Clubs on Saturday, July 12th, on the grounds that O'Meara is not eligible to play with the Association Club as he has not been stood down from the League team for inferior play.

DECISION: That the protest be dis-allowed, on the grounds that O'Meara not yet having obtained a clearance from East Perth League Club comes within the terms of Rule 103, and having received a Permit from the Field Umpire was eligible to play with the Association Club until the Association refuses his Permit.

J. SUNDERLAND, Claremont-Cottesloe, reported by Field Umpire Trotter for striking McComish, of Perth, in the match played on July 19th.

Mr. McKay appeared on behalf of Sunderland and Mr. Stooke represented McComish.

Field Umpire Trotter gave evidence concerning the incident which led up to the report.

DECISION: That the case be dismissed owing to inconclusive evidence.

APPEAL FROM J. O'MEARA. An appeal was presented from J. O'Meara against the decision of the Association in refusing to grant him a Permit.

The Board considered that it was not within their jurisdiction to deal with an appeal of this nature, as the grant or refusal of a Permit is a matter entirely within the jurisdiction of the Permit Committee or controlling body, as the case may be, whose decision is final.

CHAIRMAN.

MINUTES OF THE MEETING OF THE PROTESTS AND DISPUTES BOARD,  
HELD ON THURSDAY, 11TH SEPTEMBER, 1930.

---

Mr. J. L. Walker in the Chair. Also Mr. W. L. Brine.

BUSINESS.

A. SHEPHERD, reported by Boundary Umpire Jones for striking with his elbow Bennett, of East Perth.

Shepherd was represented by Mr. Ryan, and Mr. Telford watched the interests of Bennett, who was also in attendance.

Evidence was given by Boundary Umpire Jones and Boundary Umpire Howson. A statement was forwarded by Field Umpire Trotter, who was in the country.

DECISION.

That Shepherd be disqualified for 2 playing dates of his Club.

An appeal was placed before the Board from the Nelson Football Association. The Warriors Club of that Association appealed against a decision of the Association whereby it was decided that the match played on the 30/8/1930 between Warriors and Rovers be declared informal and be re-played.

DECISION.

When the Rovers Club lodged its protest against the Warriors Club it was bound to comply with the provisions of Rule 61 (b). When the protest came on for hearing before the Association, Warriors Club was entitled to raise the preliminary objection that Rovers Club had not complied with the provisions of Rule 61 (b).

The obligation was then on Rovers Club to prove that it had complied with Rule 61 (b). In the absence of such proof by Rovers Club, the Association should have dismissed the protest.

This Protests and Disputes Board has no evidence before it upon which it can find whether Rovers Club in making this protest complied with Rule 61 (b).

This Board therefore refers the matter back to the Association with a direction that it ascertain whether or not Rovers Club when making the protest complied with Rule 61 (b), and that pending such enquiry, the resolution of the Association, "That the match on 30/8/1930 between Warriors and Rovers be declared informal and be re-played," be suspended.

CONFIRMED.

CHAIRMAN.

MINUTES OF THE MEETING OF THE PROTESTS AND DISPUTES BOARD,  
HELD ON FRIDAY, SEPTEMBER 26TH, 1930.

---

Mr. J. L. Walker in the Chair. Also Mr. Brine.

The Minutes of the previous meeting were read and confirmed.

BUSINESS.

A letter was received from the Secretary of the Perth Club, asking for a re-hearing of the charge of elbowing preferred against A. Shepherd, on the grounds that the full facts were not placed before the Board owing to the absence of Field Umpire Trotter, who was in the country.

The Board decided to hear Field Umpire Trotter's evidence.

The Perth Club was represented by Mr. Cruickshank. In addition to Shepherd there were also present Boundary Umpire Jones and Bennett of the East Perth Club.

DECISION.

That one playing date of the sentence imposed on Shepherd be remitted.

A. RETELL, (South Fremantle), and B. DIGGINS (Subiaco).

Reported by Field Umpire Collins for fighting in the match played on September 20th.

Mr. Willis represented Retell, and Mr. Snow appeared for Diggins.

Evidence of the incident was given by Field Umpire Collins, and Boundary Umpire Bourn.

DECISION.

That Retell be disqualified for 6 playing dates of his Club, and that Diggins be disqualified for 2 playing dates of his Club.

PROTEST BY SUBIACO (Association) Against WEST PERTH (Association).

Subiaco Club protested against the match played on September 20th being awarded to West Perth, on the following grounds: That West Perth played players who were ineligible to play, as they were not omitted from the West Perth League team for inferior play. The players concerned were Buzolic and/or Geyer, and/or Dalziel, and/or Frazer, and/or Campbell.

Mr. J. Young represented Subiaco and Mr. L. J. Rodereda represented West Perth.

After hearing the evidence submitted, the Board decided that the protest should be upheld, as some of the players mentioned had never reverted back to the Association after they had been promoted to the League team. They were only omitted from the League team when that team had no possible chance of being included in the Final Four of the League. In addition, it was proved that some of the players mentioned had been regarded as the League's leading players, and had actually received trophies from the League Club supporters for good play.

A communication was received from the W. A. National Football Association, asking for a ruling on the same points as were mentioned in the Subiaco versus West Perth protest. It was decided that they should be advised in accordance with the decision of that protest.

PROTEST BY WEST PERTH (Association) Against SUBIACO (Association).

On the following grounds: That the name of Kerr, who played in the match on September 20th, did not appear on the list of players supplied by the Subiaco Club to the West Perth Club, vide Rule Page 77, Part 2, General Conditions 3.

Mr. Rodereda appeared for West Perth; Mr. Young for Subiaco.

DECISION.

That the Match Subiaco versus West Perth played on the 20th September, 1930, be ordered to be re-played.

CONFIRMED.

A report was also considered from Mr McKenzie denying that he challenged a spectator to fight but admitting that he called out to a spectator who passed an insulting remark about Field Umpire Collins.

As umpires are expected to control themselves off the field as well as on the field, it was decided that the Board is of the opinion that McKenzie was indiscreet in talking back to a spectator whilst still in his umpires uniform and that the umpire be advised accordingly.

CHAIRMAN.

MINUTES OF THE MEETING OF THE UMPIRES' BOARD HELD DURING THE LUNCH  
HOUR ON THURSDAY SEPTEMBER 24th.1931.

There were present Messrs Davies and Milne.

The necessity for the meeting was occasioned by the fact that the drawn match between East Perth and South Fremantle was ordered for replay on September 26th.

Mr Davies reported that he had been in communication with Mr Mann who was of the opinion that the same field umpire, (O'Connor) should officiate for the replay.

It was ultimately decided that the field umpire for the replayed match should be O'Connor, and that Collins should do the Association first semi final.

CHAIRMAN.

A Meeting of the Umpires' Board was called for Tuesday, October 13th. 1931, for the purpose of selecting the umpires to officiate in the grand final match on Saturday October 17th.

Mr Mann was in attendance. Mr Milne had called into the office earlier in the day and intimated that it was impossible for him to attend that afternoon. Mr Davies subsequently telephoned that he had gone home as the meeting had slipped his memory.

On Wednesday Mr Davies called in and advised that he had been in touch with other members and that the following arrangements had been made for the grand final match:

Field Umpire. F.O'Connor. Boundaries, F.P.O'Connor and Howson, Goal Umpires, Davies and Sheedy.

A press cutting was placed before Mr Davies dealing with an alledged phase of the game played on October 3rd. Mr Davies expressed the opinion that it was not for the Board to take cognisance of press reports. If a charge was laid against umpires and the League so desired it, the Board would conduct an investigation.

The Protests and Disputes Board at an enquiry held on Friday the 4<sup>th</sup> day of June 1926 found that during the match East Perth v East Fremantle at Perth Oval on the 22<sup>nd</sup> May 1926 Philip Mason the coach of the East Perth club used abusive and insulting language to Umpire Basser and Boundary Umpire Haekemeyer and the Board ~~recommended~~ are of opinion that the League Council should for the period of <sup>(if any)</sup> six playing dates cancel the League pass issued to the said Philip Mason and also should refuse him admission to any ground upon which East Perth Club may be playing during such period.
